

KENSINGTON CIRCUS PUB

AMERICAN GRILL meets **British Pub**

Kensington Circus Pub is a reminder of a simpler time. A time when friends and family could sit and enjoy each others' company, when socializing with neighbors was more important than the next text or email, in a place where children played while parents enjoyed time together.

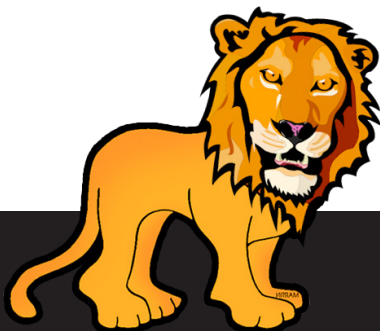

Our roots are deeply grounded in English tradition. In the truest sense of a pub, we cater to our community, as such, we buy our produce through farmer's markets, our fish and meat vendors are local. We offer fine British beers, and the best from West Coast breweries. Our sausage maker is right over the hill in Orinda. We support local music for the love of it, never charging a cover. We live in the neighborhood.

Our menu features traditional English dishes, as well as, house specialties which reflect local tastes. We source the highest quality choice meats, and use the best Icelandic Cod for our Fish and Chips. We offer non-hormonal Clover milk for the children. And the list goes on...

The Kensington Circus Pub invites you to sit back, get comfortable, enjoy good food, drink and music and maybe, just maybe, we'll remind you of a simpler time.
